Your individual course certificate

Open, print or save your certificate as a PDF, and fix the name if it's wrong.

For: Individual learners · Updated November 25, 2026 · https://hipaacertify.com/support/article/individual-certificate

Get your certificate

1. Sign in with an access link. See Get a sign-in link.
2. On **My Trainings**, under **Completed**, click **Download Certificate**.
3. Click **Print Certificate**. To save a PDF, choose **Save as PDF** as the printer.

The certificate shows your name, the course, **Date of Completion**, **Assessment Score**, **Valid Through** (one year later) and a **Certificate ID** that starts with `SOLO-`. Anyone can confirm it at **hipaacertify.com/verify**.

You can still open your certificate after your 90-day course access ends. Your transcript lists all your completed courses in one place. See Your individual training transcript.

Wrong name?

The name comes from what you entered at checkout. Contact support with your certificate ID and the correct spelling.
