Your dashboard

After you sign in, **My Trainings** shows your courses under **In Progress**, **Completed** and **Expired**, with the days left for each.

Work through the course

1. Click **Start Training** or **Continue Training**.
2. Pick sections from the **Sections** list. You can go in any order.
3. At the end of each section, click **Mark as Complete**. You'll see **Progress saved!**
4. When every section is complete, click **Take Quiz**.

The final quiz

- One quiz covers the whole course, with questions in random order.
- Answer every question, then click **Submit Quiz**.
- **80%** passes, unless the course says otherwise.
- Didn't pass? Click **Retake Quiz**. Retakes are unlimited.

When you pass, you'll see **Congratulations!** and can open your certificate right away. We also email you when it's ready. See Your individual course certificate.

After you complete the course, you can go through your quiz question by question from **My Transcript**. See Review your quiz answers.
